Budget Approval System

Provider User Guide

Version 1.0

6/25/2024

Disclosure Statement

This document represents the Los Angeles County Department of Public Health (LACDPH) implementation instructions for the Budget Approval System. This document specifies the required operation workflow for submitting a budget to SAPC for review and approval. LACDPH reserves the right to modify and change the document at any time. LACDPH will disseminate the information in a timely manner, should there be any change to this document.

Budget Approval System

Login Page

You can access the BAS login page via VPN:

- 1. Clink on the following link: <u>https://era.lacounty.gov/dph/mfa</u>
- 2. Then select the BAS link on the home page.

Next, login into BAS by entering your C-number and Password and then clicking on the Sign In button. The default Password is "**Test123**".

Employee Number (ex. e0000	00, c000000)	
he Employeeld field is required	l.	
Password		

When logging into BAS for the first time, the system will prompt you to reset your password from the default password. Follow the password conditions when selecting a new password and enter it in the "New Password" field. Once your password has been reset, re-enter it on the login page along with your Employee ID to login into BAS.

that you	eeing this prompt beca are logging into the Ap I to reset your passwor	plication or yo		
letter, on	must contain one digi e uppercase letter, one st be 8-16 characters le	special charac		1
New Pas	sword			
			Update	
assword				
gn In				

If the login is successful, the system will display the Budgets page, with list of budgets in progress (if any).

Budgets

The Budgets page is the starting point for a provider to add a new budget, edit an in-progress budget, delete an in-progress budget, view an approved budget, or review a rejected budget. A complete budget consists of the following seven pages: Information, Salaries, Benefits, Expenses, ICR, Incomes, and Summary.

A budget is in progress when a provider is preparing any one of these pages or has not submitted a complete budget to be reviewed and approved by SAPC. Once the provider has completed all seven pages and submitted the budget it is considered as complete and pending SAPC approval. Once SAPC reviews and approves a budget, the provider will receive an email notification informing them that it has been approved and it is now considered a "Final Approved" budget.

In the case that SAPC rejects a budget, the provider will receive an email notification alerting them that the budget has been rejected. The rejected budget will appear in the Budgets page for the provider to access it so that they can review and make the necessary edits and resubmit the revised budget to SAPC for approval.

Adding a New Budget

To add a new budget, click the "Add Budget" button on the Budgets page.

The "Information" page will appear.

Benefits

In this section you can add Employee Benefits for employees at the Agency. Here you can list all employment related costs, such as Federal taxes, State taxes, Worker's Compensation, Health insurance, and Retirement benefits, or any other benefits. The Benefits page is dependent on the Salary page and as a result the system will only allow you to save benefits information once the Salary page has been completed.

ICR

As part of the budget final review, SAPC will review the federally approved rate letter (if applicable) to determine what costs/expenditures are allowable as part of the Indirect Cost Rate (ICR).

There are two possible options to determine the appropriate ICR:

- 1. A Federally Approved Rate: This is an ICR that a provider has applied and has been approved by the federal government. A provider with a federally approved rate must present their approval letter and must adhere to the restrictions identified in the letter.
- 2. De Minimis Indirect Cost Rate of 15%: A provider without a federally approved ICR will default to a standard 15% de minimis indirect cost rate. This 15% rate can only be applied to the modified total direct cost (MTDC) per Code of Federal Regulations Title 2 Part 200 (2 CFR 200).

The ICR Page is dependent on information entered on the Salaries, Benefits, and the Expenses page. The system will validate that these three pages have been completed before allowing data to be saved on the ICR page.

To access this section, click on the "ICR" page icon on the left-hand side Budget menu bar.

The system will prefill Option A. To select Option B simply click on the radio button next to the desired option.

Incomes

In this section you can add income or revenue earned by the Agency through a SAPC Contract, Participant/Client Fees, Program Investment Fund, and the 60 Day Operating Reserve.

The Incomes page is dependent on information entered on the ICR page which means the system will validate that the ICR page has been completed before allowing data to be saved on the Incomes page.

To access this section, click on the "Incomes" page icon on the left-hand side Budget menu bar.

Summary

The Summary page displays a breadcrumb navigation bar which provides a status of the budget approval review process. The bar highlights which group is currently reviewing the budget. This section serves as a snapshot of the information entered on the previous pages of the budget. Here you can review the Agency's information, and by scrolling down the page, view Part I Budgeted Direct Costs, Part II Budgeted Indirect Costs, Part III Total Income/Review tables, and the Budget Approval History table. To access this section, click on the "Summary" page icon on the left-hand side Budget menu bar.

Resubmitting Revised Budgets

In the case that SAPC rejects a budget, the submitting provider will receive an email notification alerting them that it has been rejected. The rejected budget will appear in the Budgets page for the provider to access it so that they can review and make the necessary edits before resubmitting it to SAPC for approval.

Budget Rejected Dph Sapc-noreply For 0 Ketterione Noise (LiCOUNTY 3 Year Delete (3 years)	Expires 6/10/2007	(⊕) <>>> Reply_AS → Forward (⊕) Mon 6/10/2003 2.00 PM Mon 6/10/2003 2.00 PM
Hi Bill Smith, Your budget contract number - 999 has been rejected. Please review the budget.		

Sample Budget Rejection email sent by SAPC to the submitting provider

To resubmit a revised budget, you first need to access it following the same instructions to view or edit an existing budget. First you click on the down arrow icon to the right of the status for the desired Contract #. Then select the view icon to open the budget.

Final Approved Budgets

Once SAPC reviews and approves your Agency's budget, it is considered a "Final Approved Budget" and it is available for viewing.

In addition, the submitting provider will receive an email notification informing them that their budget has been approved.

Sample Budget Approval email sent by SAPC to the submitting provider

A Final Approved Budget cannot be edited and is viewable in a read only format. To review a complete budget simply click on the "Final Approved" toggle button filter on the Budgets page which will populate a list of budgets(s) submitted by the Agency, the logged in user is part of. The list will show budget contract number as shown below:

SAPC Substance Abuse Prevention and Control	=						평 Budgets	Bill Smith 💄 👻
