July 8, 2025

Dear Provider Agency Partners,

SAPC is excited to share its [Fiscal Year 2025-26 Value-Based Incentives \(VBI\) package](#) (formerly known as *Capacity Building and Incentives*). We encourage you to explore the [VBI website](#) to gain a deeper understanding of the focus areas, expectations, and payment amounts for the incentive activities.

We are requesting that each provider agency complete a brief 5–10-minute [Fiscal Year 2025-26 SAPC VBI Participation Interest Survey](#) to indicate your interest and readiness to participate in the Fiscal Year 2025-26 VBI activities.

SAPC's VBI package provides funding tied to achieving specific performance metrics and timely submission of deliverables. The FY 2025-26 VBI package focuses on:

- **Finance and Business Operations:** Improving financial management, operational efficiency, and ultimately sustainable services at the agency level.
- **Workforce Development:** Strengthening provider agency capacity through workforce development efforts.
- **Access to Care:** Ensuring timely access to quality care.

The deadline to complete the [Fiscal Year 2025-26 SAPC VBI Participation Interest Survey](#) is close of business, Friday, July 18, 2025.

For more information, please visit SAPC's updated [VBI website](#).

Thank you for your continued partnership.

The SAPC Team
