

Keeping Your Pet Fit: Food and Play

What can you do to help keep pets healthy?

What do dogs and cats eat?

How much should they eat?

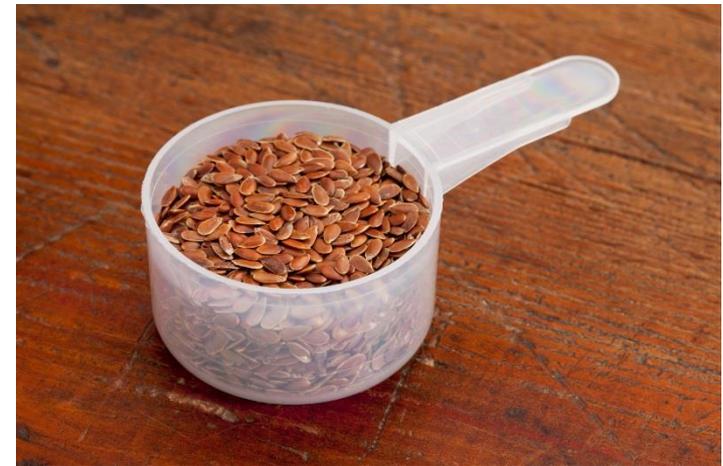

All pets don't need the same amount

A cup is not always a cup

Demonstration: Measuring cup, coffee can, dry beans or kibble, 2 food bowls

How much do we want?

Pets need exercise too!

Are these pets overweight?

How can you tell if your pet needs to lose weight?

Practice

- Interactive: have them measure out a cup and can of food and put them in the food bowls
- Dog food bag: point to where it says how much to feed the dog
